WINTER & Sparkle

A collage of winter-themed images. The central focus is a large, dark green Christmas tree heavily decorated with white and silver ornaments, white beaded garlands, and long silver icicle-like decorations. To the right, a white fireplace mantel is adorned with silver and white ornaments and small evergreen trees. Below the mantel are three more small evergreen trees, one dark green and two light green. In the bottom right corner is a large, circular wreath made of evergreen branches with white and silver ornaments and long silver icicle-like decorations. On the left side, a dining table is set with white plates, silverware, and a menu card. The menu card has a winter theme with a small evergreen tree illustration. A blue cloth napkin is folded on the table. In the top left corner, the text 'WINTER & Sparkle' is written in a large, elegant, cursive font. The background of the collage is a light, textured surface.
